REMARKS

The applicants wish to make of record the references listed on the attached PTO-1449. Copies of the listed references that are not already of record in this or an application to which priority is claimed are attached. Copies of the listed references were submitted in a priority application for those reference's citations which state, "cited in parent." Therefore new copies of those references are not submitted. Some references were previously filed in this application, and those reference's citations are crossed off and state "already of record." Please note that copies of reference AJH and AJI are not attached. These articles have been ordered and I will send them in as soon as I get them. I apologize for the large number of references (roughly 3 full boxes), but these references were filed in one or more related cases, making it advisable to file all of them in this application in accordance with my standard practice.
